MOTION BY SUPERVISOR ZEV YAROSLAVSKY

August 29, 2006

The Los Angeles Housing Services Authority (LAHSA) is preparing to commence its biennial homeless count in September. Funding for the study (\$820,000) is to be divided equally by the County and the City of Los Angeles. The representatives of the L.A. City Mayor's office have informed us that their \$410,000 share will be presented to the City Council for approval during the month of September. However, the study should be undertaken in a timely manner and needs to commence before the City's appropriations process is complete.

**I, THEREFORE, MOVE** that the Board of Supervisors authorize the transfer of \$128,500 from Homeless and Housing Program Budget Unit to LAHSA to cover the initial expenses related to the homeless count and that the balance of the County's share (\$281,500) be transferred to LAHSA once the City's transfer to LAHSA is complete.
